## About Our WebStore

We are very excited to re-introduce our WebStore for students and parents. Our online student store allows you and your children to easily purchase AP tests, pay for student activities and debts, all securely via the internet. We will also keep you updated as new items get posted to the store, so you no longer have to worry about being uninformed about deadlines. Here you will be able to pay for all of your students needs directly from the convenience of your computer. Once you've completed your transaction, you'll receive a confirmation email that you'll want to bring with you pick up your items.

## How does it work?

1. Go to our Website (<http://www.ehscougars.com>)
2. Click on Essentials then go to Online Store
3. Login with your Student ID # and default password
4. Pay for all of your school items & class fees securely online
5. Bring your confirmation email to pick up your items

## What is the benefit?

Convenient

Time-Saving

Easy

Eco-Friendly
